How SLMP Studios Service Works

Start Time: S&L Team will arrive 30 minutes prior to party start time in order to make every effort to begin the instruction at the designated start time and complete the instruction in no more than two hours. However, the time it takes to begin and complete the instruction will vary based on several factors including:

- Late arrival of participants
- Size of the party/event
- Amount of instruction needed during the event

Late Fees:

***Please be advised that there is an additional \$20 fee per hour for parties that do not start within 30 minutes of the designated start time.**

Materials Provided: SLMP Studios will provide all paints (non-toxic acrylic), canvases, wine glasses (and or ornaments), brushes, easels, tablecloths and aprons ("Equipment") for the event. S&L Team prides itself on excellent maintenance of quality control over the materials it uses, the quality of the paint, canvases, brushes, easels, and paint aprons. While in your care please treat our equipment accordingly so we may continue to maintain excellent quality for future paint nights to come!

**** Tablecloths are also provided for the tables, and for the floor as a precaution for we are not liable for any materials wasted *****

End results: SLMP Studios makes no representations or warranties about the quality of any painting or individual experience at the Event. Every painting will be unique, and the expectation that your painting will be a facsimile of the painting depicted on the Website is patently absurd.

Event Feedback: SLMP Studios encourages you to post reviews of your events through our Facebook page or Google. SLMP Studios reserves the right to promote, reject, remove or edit such content at any time without notice. Reviews should not be posted that contain: harsh, profane or discriminatory language; illegal, obscene, threatening, defamatory or otherwise objectionable content. We welcome your feedback to promote and improve our paint night experiences.
